

## Enhance Your Service

**CommandIQ™** gives you an instant snapshot of your network. Through the app, you can view all the connected devices on your network, set up parental controls or a guest network, run speed tests, change your SSID and password, and more. CommandIQ™ puts you in charge!

*Included with Managed Wi-Fi*

**ProtectIQ™** offers protection against viruses, malware, and malicious websites, keeping your network and devices safe from cyberattacks.

*Included with Managed Wi-Fi*

**ExperienceIQ™** provides you with the tools needed to enforce the internet rules you've established for your home. Set up profiles for your children or devices; filter content, websites, and applications; and establish appropriate time limits.

*Included with Managed Wi-Fi*

**Wi-Fi is now a critical component of internet connectivity.** Just think about the number of wireless devices being used including laptops, tablets, and smartphones. You need a wireless connection that's reliable and secure, and consumer-grade Wi-Fi access points are no longer adequate to meet the needs of most environments.

Managed Wi-Fi from WesTel Systems is your local answer to the challenges of wireless connections in homes, farms, and small businesses.

**You'll get it all with Managed Wi-Fi:**

- Predictable Wi-Fi performance
- Local service and support
- Extended range and coverage
- First-class equipment
- Mobile app – CommandIQ
